WindEnergy Hamburg was a successful event and we plan a similar concept for the 2019 event in Copenhagen

# Info

A draft sketch of the Norwegian pavilion will be created as soon as we've get an overview of how many exhibiting companies we'll have.

The price will be a function of the number of participants at the pavilion and the size of your stand space (most likely between NOK 50 000,- and 100 000,- for partners).
