

# Hydropower Norway Conference 2019

## Hydropower towards 2030

28 May 2019 08:30 – 15:30  
Multiconsult, Skøyen

08:30 – 09:00      **Registration and coffee**

09:00 – 09:20      **Welcome**  
Ms Gunn Vik, Director Hydropower, Norwegian Energy Partners

**Opening speech**  
Mr Kjell-Børge Freiberg, Minister of Petroleum and Energy

### Market opportunities and expectations from the suppliers

09:20 – 09:40      **International hydropower market outlook**  
Mr Richard Taylor, CEO, International Hydropower Association (IHA)

09:40 – 09:55      **Hydropower development at Landsvirkjun**  
Mr Óli Grétar Blöndal Sveinsson, EVP R&D, Landsvirkjun

09:55 – 10:10      **Fossil free living within one generation - Challenges & opportunities**  
Ms Malin Larsson, Head of Investment Project, Vattenfall  
Mr Andreas B, Head of Procurement Hydro Nordic, Vattenfall

10:10 – 10:25      **Opportunities, projects, challenges and supplier expectations**  
Mr Tron Engebretsen, SVP International Hydro, Statkraft

10:25 – 10:40      **Opportunities, projects, challenges and supplier expectations**  
Mr Torger Lien, CEO, SN Power

10:40 – 11:00      **Q&A**

11:00 – 11:20      **Networking break**

### International trends and technologies going forward

11:20 – 11:30      **Hydropower flexibility – enabler for intermitted technology storage**  
Ms Linn Emelie Schäffer, SINTEF Energy

11:30 – 11:40      **BIM and technology going forward**  
Mr Erik Digerud, Civil Engineer, Norconsult

In cooperation with

11:40 – 11:50      **Hybridisation - Solar, Wind, Hydro**  
Ms Bente Taraldsten Brunen, Senior Mechanical Engineer, Multiconsult

11:50 – 12:05      **Small hydro – "bundling"**  
Mr Tor B. Berntsen, Head of board, Malthe Winje  
Mr Bjarte Skår, Director Electric Power, Brødrene Dahl  
Mr Magnus Westlie, Sales Manager, Hymatek/ Rainpower

12:05 – 12:15      **Q&A**

12:15– 13:15      **Networking lunch**

### **Digitalization within Hydropower**

13:15 – 13:25      **Digitization of small and mid-size hydropower station operations**  
Mr Thomas Bjørnerud, Asset Manager, Captiva Capital/ Energi Teknikk

13:25 – 13:35      **ABB Ability™ in Hydropower**  
Mr Linus Kolam, Area Sales Manager, ABB

13:35 – 13:45      **Automating decision making and execution**  
Mr Andreas Eieland, Head of Sales, Powel

13:45 – 13:55      **Online Condition Monitoring - Digitalization of Inhouse Knowledge**  
Mr Joakim Gundersen, Manager digitalization, Eidsiva Energi

13:55 – 14:05      **Digitalization in Hydro Energy**  
Mr Sverre Bjotveit, Head of Digital Transformation, Hydro Energi

14:05 – 14:20      **Q&A**

### **Panel discussion: How to make hydropower great again?**

14:30 – 15:30      Moderator: Mr Tom Ødegaard, Multiconsult  
Mr Richard Taylor, CEO, IHA  
Mr Torger Lien, CEO, SN Power  
Ms Malin Larsson, Head of Investment Project, Vattenfall  
Mr Tron Engebretsen, SVP International Hydro, Statkraft  
Mr Óli Grétar Blöndal Sveinsson, EVP R&D, Landsvirkjun

15:30                **Closing**

### **B2B meetings (10 min. presentations to developers) 9 slots**

16:00 – 17:30      Landsvirkjun  
Statkraft  
SN Power  
Vattenfall

In cooperation with
