industry areas

Some exhibitors:

Benefits when joining Gastech 2026

Connect directly with teams from EPCs and major energy companies driving LNG and energy infrastructure projects worldwide.

- 60+ billion USD in deals signed on Gastech 2025
- 20+ MOUs signed on Gastech 2025

Build connections with key players

Gaining exposure to a diverse and international audience of 50,000 energy industry professionals and 1,000 exhibitors

Highlight expertise and commitment to advancing natural gas, LNG, hydrogen, climate technologies, and AI, to support a sustainable energy future.

Showcase new products and technologies. Have the opportunities to present at the Gastech Conferences (7,000 delegates and features over 1,000 expert speakers)

Gastech 2025 Norwegian Pavillion

Very positive feedback from Norwegian companies who joined a pavilion organised by the IN team responsible for Bangkok 2026.

"The Norwegian Pavilion was brilliantly planned and executed, and it truly shines. The attention to detail and the effort you and your team put into making it a success were remarkable." *Chew Yin Yi Clara, Manager, DNV*

"This was a great success. Your team planned and carried out the event exceptionally well. Metizoft managed to gain good exposure through this event." – *Clement Chang, CEO, Metizoft Asia*

"It was very well organized, the pavilion layout with open space and joint with other companies from Norway was probably the best we have been to." – *Bergen Engines AS*

"IN's services were great. Positive, enthusiastic, and capable people from A-Z." – *Bernt Riksfjord, VP Sales, Brunvoll AS*

"Excellent organization by Innovation Norway. It was perfect. We are very thankful." – *Jorge Veiga, Manager, Brodrene AA*

"You delivered excellent service." – *Lukasz Luwanski, Director, DNV*
