

# Norway Pavilion at WEA 2023 – Taiwan Offshore Wind Delegation to Taiwan

Norwegian delegation March 6th – 10th 2023  
Kaohsiung, Taiwan

Join Team Norway's delegation to Wind Energy Asia 2023 <https://www.windenergy-asia.com/en/index.html> in Kaohsiung, Taiwan to explore the opportunities in Taiwan's offshore wind market.

Taiwan is one of the fastest growing offshore wind markets in Asia and at the same time possibly the most accessible one. Most of global offshore wind developers have established in Taiwan market with confidence and optimism in Taiwan's determination to achieve energy transformation goals and Net-Zero emission targets by 2050. More international and domestic industrial players are actively entering round 3 market auction in Taiwan.

Taiwanese offshore wind industry is growing fast and looking for cooperation with foreign companies with knowledge and solutions for the entire value chain especially when floating wind projects potentially becoming a better solution in the deeper water zone in round 3. The Norwegian offshore and maritime expertise can play key role in the future development of offshore wind in Taiwan, NORWEP offshore wind delegation to Taiwan aim to open more business opportunities for NORWEP Partners in Taiwan's round 3 project of 15GW.

### **Who should attend?**

Norwegian companies operating within the offshore wind sector: developers, EPIC, vessel providers, planning and design consultancies, marine/offshore construction, transport and logistics, installation, sub suppliers to major developers, operation and maintenance.

### **Value for companies**

Gain insights on the impact of the Taiwanese offshore energy value chain and how it sparks new technology to the industry players.

Be part of the Norwegian Pavilion at WEA2023 to showcase your technologies and services to connections that matter to your business.

Strengthen your company presence and visibility in the industry with Norway's reputation in Offshore technology.

Demonstrate and showcase your competitive edge to industry professionals and solutions to the right audience

Meet and network in-person access to top-[level](#) for business exchanges with key industry professionals and potential buyers.

### **NORWEP activities during business seeking mission to Taiwan**

We are planning B2B meetings for NORWEP partners with support from Taiwan's authorities. Meetings with developers and industrial key suppliers will be arranged during the 4-day program.

NORWEP plans to set up a "Norwegian Pavillion" shared by NORWEP Partners who sign up for the delegation.

As a Pavilion exhibitor, you will get:

Enhanced pavilion design and ready to move-in poster wall for each company

Pavilion come complete with – carpet, lighting, power socket, meeting table and chairs, lockable cabinet cum reception desk, trash bucket, brochure rack, company logo and poster walls (items entitled depends on size of pavilion).

Free Wireless Internet access

Booking of exhibition space is available on first-come, first-serve and location within the Pavilion will be assigned by NORWEP

Networking event hosted by the Offshore Wind Team Taiwan and NORWEP is being planned. Details on date, time and venue will be advised at later date.
